### Mathletics, Reading Eggs and Reading Eggspress 2020

Dear Parents/Carers,

Mathletics, Reading Eggs and Reading Eggspress are online numeracy and literacy programs that are being made available to all students from Kindergarten to Year 6 for use at home and at school.

The cost for access to both programs for the year is \$25 per student. A family discount is being offered for families of more than 2 children for \$50 per family. Please place your payment with the note below in an envelope with your child's name and class as well as the reason for payment and return it to your child's teacher by **Friday 13 March 2020**.

Login information for your child will be sent home when payment has been received.

Mathletics is an eLearning resource which includes highly engaging curriculum aligned content, live fluency activities and targeted practice coupled with powerful teaching resources and diagnostic testing and assessment.

Reading Eggs and Reading Eggspress support core literacy teaching for 4 – 13 year olds assisting students to become proficient readers. Students have access to hundreds of engaging lessons and comprehension activities.

Both resources have proved to be extremely useful to many students in building skills in reading and numeracy. Some access to these programs will be provided in class and in the computer lab during lunchtimes. We strongly encourage all students to access them outside of school either on a computer, internet enabled tablet or smartphone to fully benefit from all aspects of the programs.

Linda Green
